Don't Eat Spidey!

How to Play: Place one piece of candy in each square. Send one person out of the room while the group chooses one candy piece to be "SPIDEY". When the player returns he eats the candies one at a time; but the minute he touches "PSPIDEY" the group yells "DON'T EAT SPIDEY"!! His turn is then over and the next player leaves the room. Continue until all have had a turn.
