

Davis' Can Be Reverent at Church.

I can read books, play with toys, and sing during church.

I do not make loud noises. I am soft and quiet during church.

I sit quietly in my classroom.

I say hello to all my friends. I do not poke my friends. I do not make loud noises in my classroom.

I do not make bad decisions during singing time.

I sing all the songs during singing time. I look at the teachers in front of the room and hear what they are saying.

I sit in my chair during sharing time. I want to learn about Jesus Christ.

I do not get out of my chair. I do not touch my friend sitting next to me. I turn my head and look at the teacher speaking.

I am a smart boy. I want to be happy. I want my friends and my teacher to be happy.

I will make good decisions. That will make me happy. That will make my teacher happy.
