

**The phantom haunts you happily from now
through Halloween.**

**And was delivered by a friend who (hopefully)
was not seen.**

**The spirit of the neighborhood has come
to wish you well.**

**Someone, somewhere selected you to receive
this happy spell.**

**You must display the phantom on your
door so all can spy.**

**That you're already haunted by this
happy little guy.**

**Now, fix 3 sacks with goodies
like the ones given to you.**

**Ring someone's bell and leave a
treat and make them happy
too!**
