

little Laurie Paper Doll & Bedroom Play-Set

Celebrates St.Patrick's Day

Footboard- fold so the decorative side faces out and glue the siderails to the mattress. if you would like decoration on the inside and out side of the bed, print two footboard pieces & glue them back to back, trmning around the edges to make it look tidy.

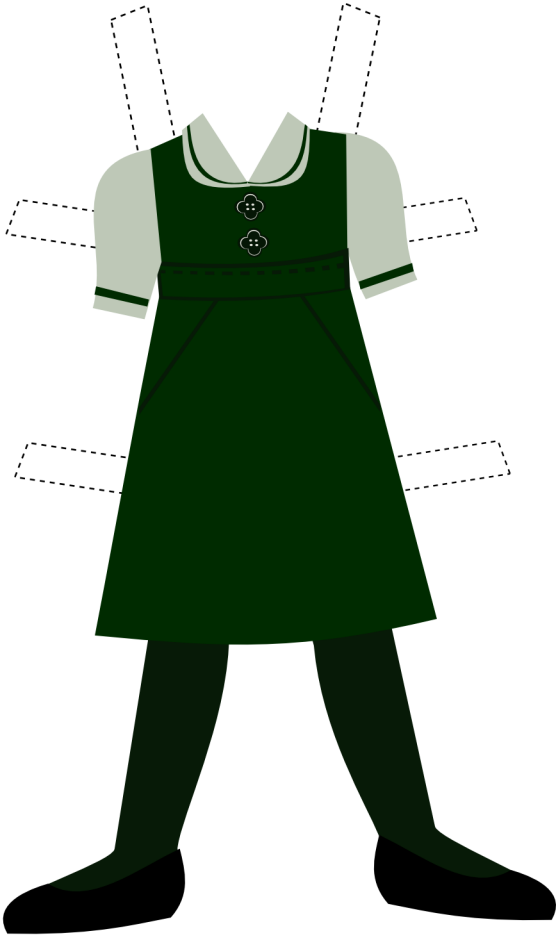

Headboard- fold so the decorative side faces out and glue the siderails to the mattress. if you would like decoration on the inside and out side of the bed, print two headboard pieces & glue them back to back, trmning around the edges to make it look tidy.

All of the clothes fit Lauris, Leslie and Lisha!

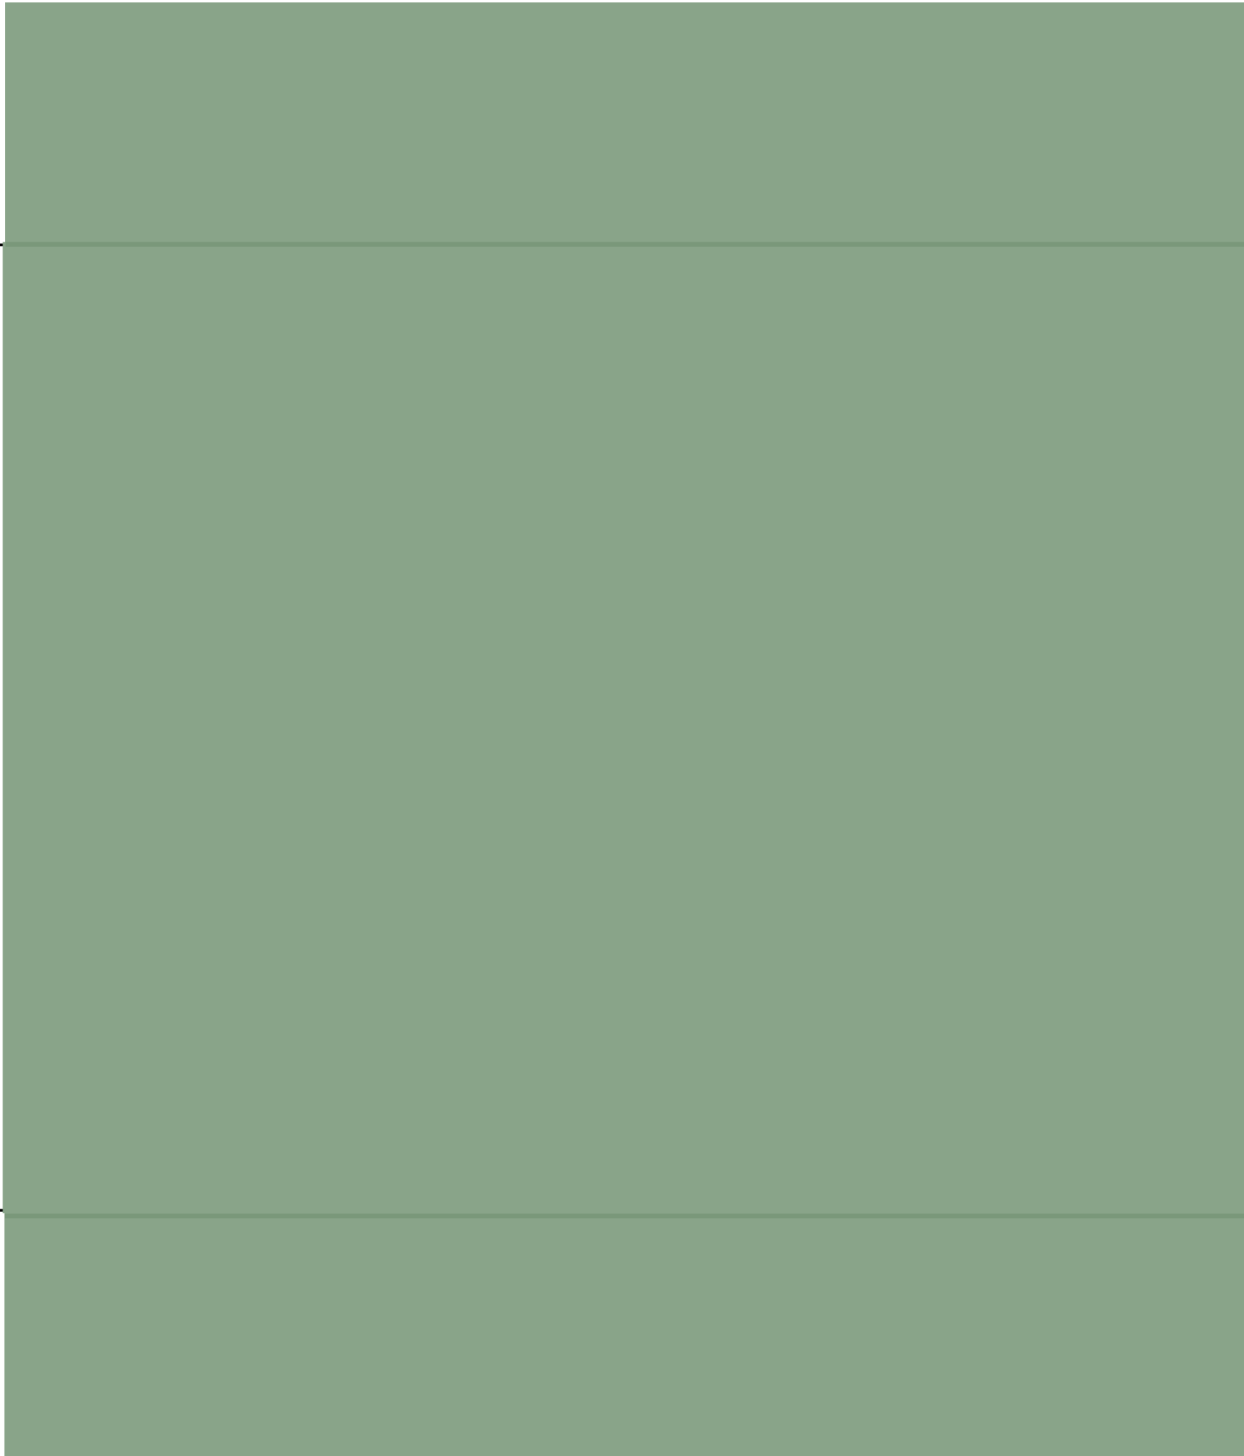

Matress- fold down the headboard and footboard taps, and fold along the dar lines, attach the matress to the bed, gluis the siderails to the sides of the matress.

Decorate Laurie's Room with clovers!~

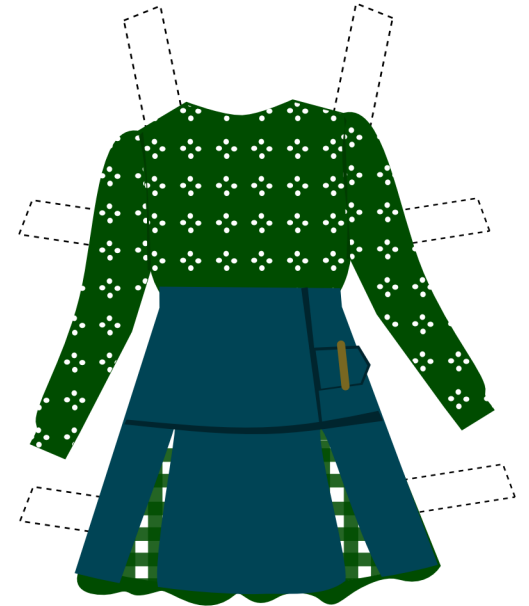

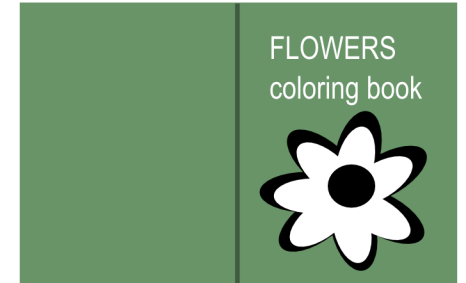

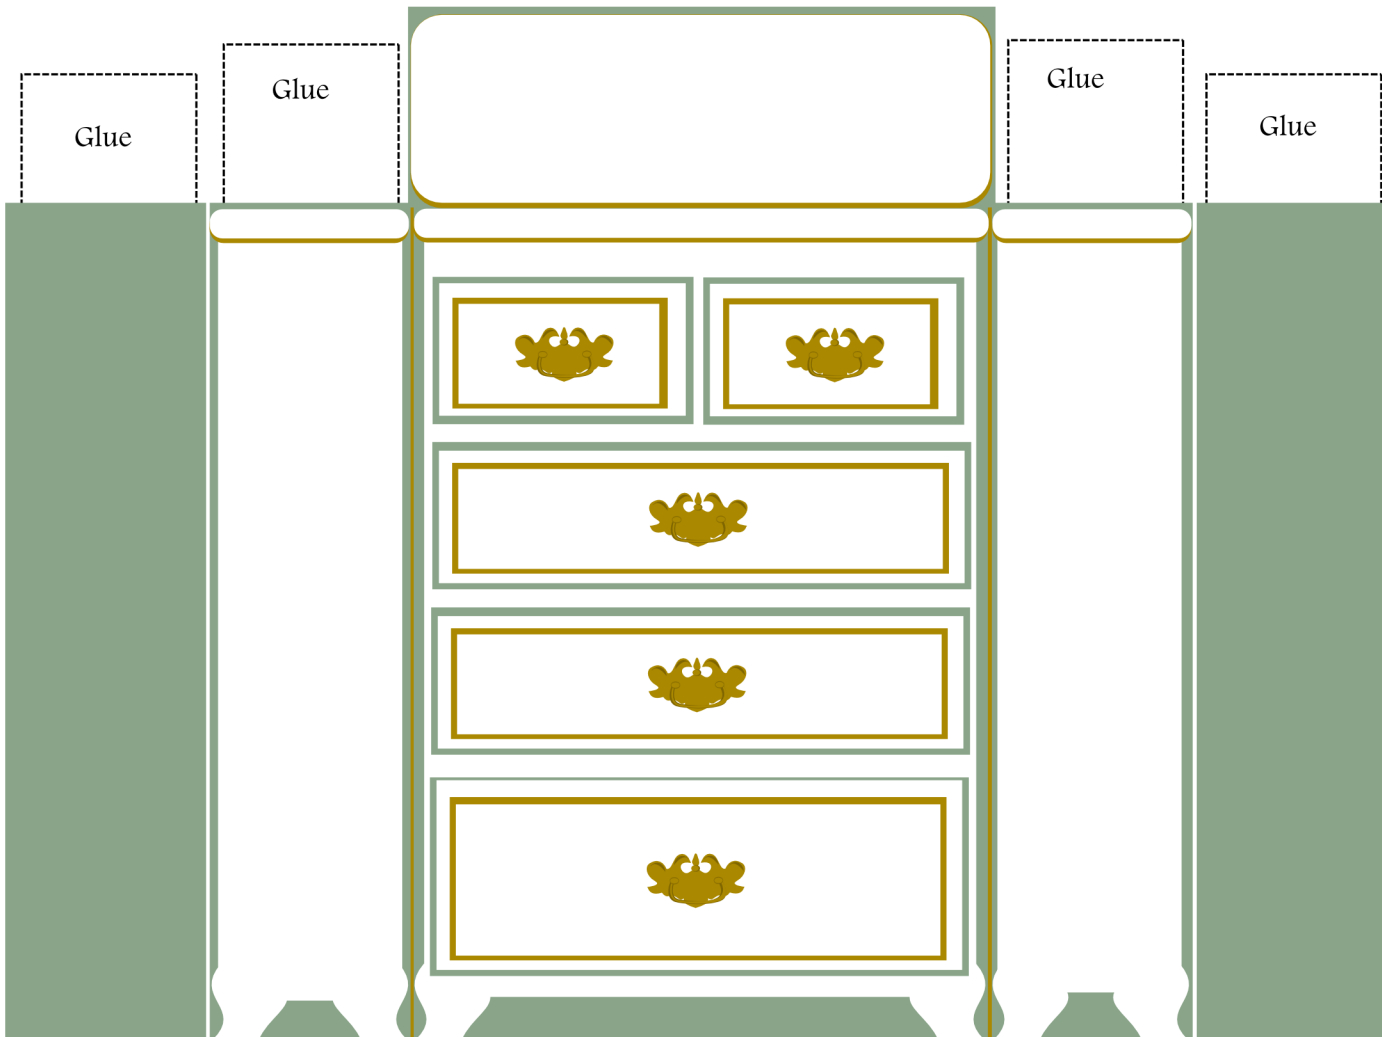

Glue to Footboard

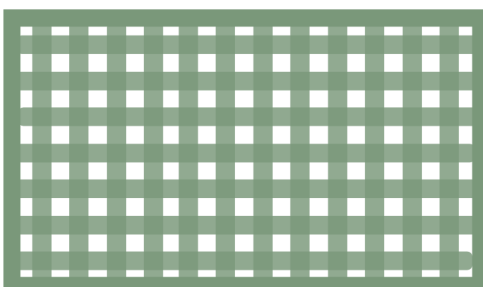

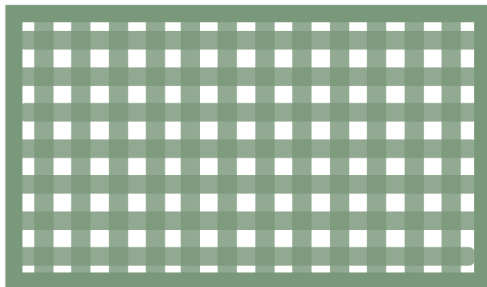

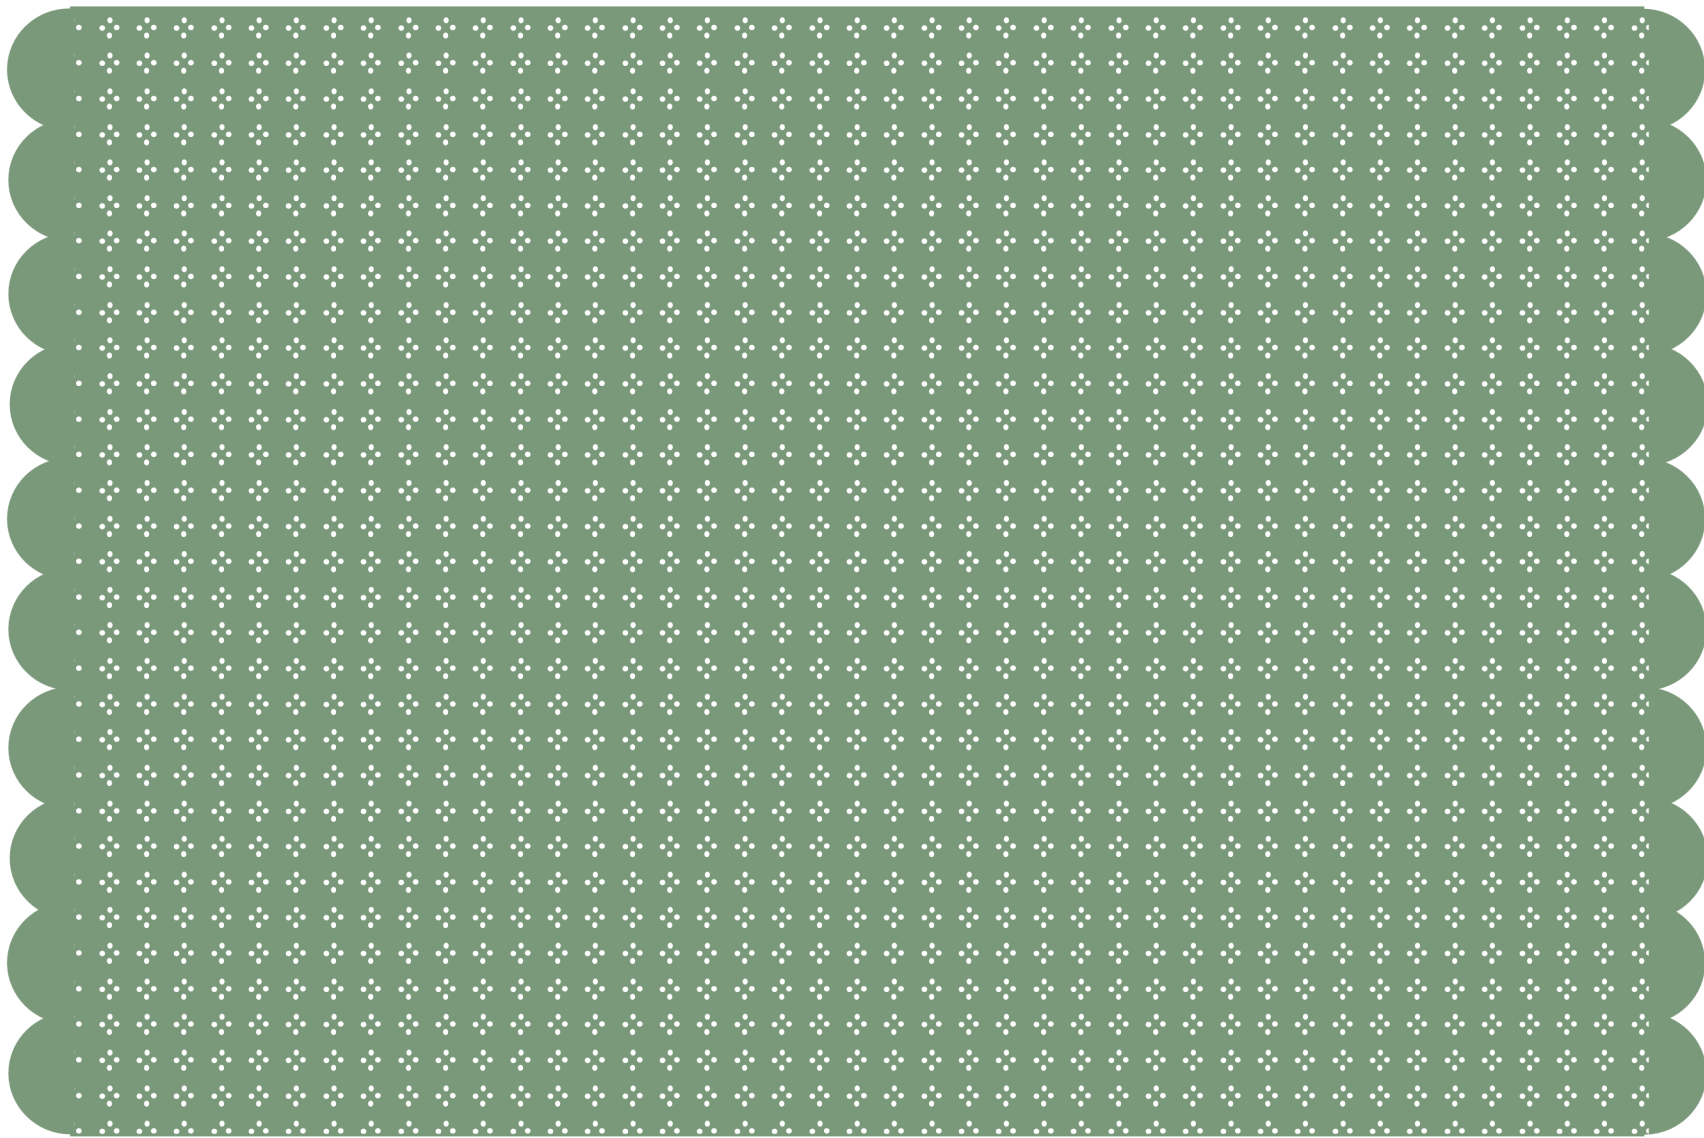

Glue to headboard

Chest of Drawers- fold glue tabs and along dark lines, the back of the dresser adds stability to the piece.

Bedding- here is some bedding for Laurie's bed. Be creative and make more bedding set for her from paper or fabric. You can find more patterned pages by visiting www.triciarennea.blogspot.com search- pattern paper
