♥ Expect Color Variations ♥

Every computer monitor, tablet, and hand held device displays colors differently on it's screen. Additionally, printed colors will vary from one printer to another not only due to the printer settings and ink, but also because of your choice of paper.

Tip: It's a good idea to print out a page to TEST THE COLOR before purchasing paper, party supplies, fabric, or ribbon to coordinate with the printable. Especially if color matching is important to you. {wink}

♥ LEGAL ♥ This file is for PERSONAL USE ONLY. You may print as many copies as you need for your own personal use. Do not share or forward any of my files, enter them into contests, or use them commercially to sell. DO NOT COPY DESIGNS and sell them in your own shop, blog, or online store. You may not use any photos in any form.

To Whom This May Concern:

I, Laurie Turk hereby give permission to FedEx, Kinkos, Office Max, Office Depot, {etc.} as well as the customer to print these bingo games for personal use ~ overriding the copyright seen on each page.
