

# iRobot Cleaning Schedule

**Sync Your Life.** Customize your weekly schedule with the best times for cleaning each area.

## Analyze Your Daily Routine

1. Are there days and times when the house or specific rooms are typically empty?
  
  
  
  
  
  
  
  
  
  
2. Do you need to accommodate the schedule for feeding or walking the dog?

## Times to Exclude

3. Are there days and times when the house or specific rooms are typically busy?
  
  
  
  
  
  
  
  
  
  
4. What routines need to be taken into consideration?
  
  
  
  
  
  
  
  
  
  
5. Are there noise considerations?

Add your answers above to the "[Exclude](#)" column in the template tab.
