- A Pit Team that checks in the families and weighs and inspects the cars.
- An Activities Team that handles anything not related the race — pictures, face-painting, skits and songs, and anything else to keep Scouts entertained.
- **Photographer** ~ Shirlee Keddington?

How to Run the Race

If you have a lot of kids, divide them up by age. You could start by racing the Tiger Cubs, then move up the ranks. When the Cub Scouts have finished races, you could do a siblings race or have an open class race for the adults.
